### Spring is Flying By!

Our Summer Program is affordable and full of adventure! Please look in the main office for our flier and registration forms.

Our rates will remain the same for Fall 2016. Registration packets are available now! Please remember that our rates are now calculated as hours per child. With absolute input from the school and here to make your life easier, we strive to create a familiar and fun space for students to enjoy their time outside of school. We accept Child Action as well.

### Snack Schedule for May and June

- Monday– Apples and Rice Cakes
- Tuesday– Bananas and Snap Pea Crisps
- Wednesday– Apples and Rice Cakes
- Thursday– Bananas and Snap Pea Crisps
- Friday- Apples, Rice Cakes and Cooking

As Spring seems to flee from us on the wind that has stirred up so many allergies this season, our students are hard at work preparing for the end of another school year. Our Homework time has been very productive with memory games of multiplication and rhyming words, board games, library clean up and collaborative work. The weather has been so cooperative that we were able to bring out our stilts! Stilts, swinging, climbing, ball games and juggling have been a large part of extensive outdoor time. Our Strings practice has been active as fourth graders and higher get ready for our Strings Concerts on May 17th and May 19th. The students are excited and proud of the work they have put into their music. Students eagerly meet the challenges of conquering another grade and look forward to a new year. But not before enjoying a well earned summer break.

Kindergarten has embraced Spring with energy and enthusiasm. We have spent so much time at the hiding tree playing games and nature walking. Our nature collection grows and our boot collection has dwindled. Hot tea is put away in favor of fruit infused water to help with the hard work of play in the sun. Our finger knitting skills have improved greatly over the year and our play now includes compromises and negotiations. Summer is coming and kindergarten is ready!
