Education Code §3502 prohibits the District from allowing a person required to register as a sex offender under Penal Code §290 to serve in a volunteer capacity as an aide or supervisor of students. Accordingly, the District will, before authorizing a person to serve as a volunteer conduct an automated records check pursuant to Education Code §35021.1 and/or call the Department of Justice or the Sheriff's Office to inquire whether the individual is a registered sex offender pursuant to the process set forth in Penal Code § 290.4

SCUSD Volunteer Code of Conduct
As a Volunteer, Your Role and Responsibilities in the School Are Unique

- **Understand** that your role is a supportive one. The teacher and principal are completely in charge. If the teacher leaves the room, the teacher in the next room assumes responsibility. You must not be left in charge of a classroom.
- **Remember** volunteers are only permitted to work with students on school grounds and under the supervision of certificated staff. Have no outside contact with an individual student unless authorized by administration or parents.
- **Maintain** student confidentiality at all times. Do not discuss any student with anyone except teachers, counselors, and volunteer coordinators.
- **Don't** make promises you can't keep. Avoid saying things like *"study hard and you'll definitely pass the test."*
- **Use** good judgment and avoid any compromising situations. Work in a room with other people at all times. Never be left alone with one student out of view of other people. Always keep the door open. Always use adult bathrooms.
- **Strictly** follow volunteer guidelines and discipline practices. Physical discipline is absolutely prohibited. Ask the teacher and volunteer coordinating staff for assistance with problematic student behavior.
- **Report** immediately to a staff person any physical abuse or sexual exploitive behavior towards a student.
- **Don't** engage students on any social media site, email, texts or take or show your picture or student's pictures/videos on your phone or other media devices

Volunteers Take Pride in Being Professional

- **Maintain** a constructive attitude. Don't make negative comments about the school, its personnel or the students to other volunteers or individuals outside the school.
- **Be Prompt** and consistent in your attendance. Teachers depend on volunteers and plan their work accordingly. Students depend on volunteers even more, especially on field trips. Notify your school as soon as possible if you are late or absent.
- **Keep** an accurate record of your attendance by signing in each day you volunteer.
- **Dress** and act professionally.
- **Establish** and maintain good and frequent communication with your classroom teacher or volunteer coordinator.
- **Never** be under the influence of drugs or alcohol when with students on or off school grounds.
- **Do not** smoke on school grounds or at any time around students.
- **Do not** lend money, contribute or solicit money for organizations while on school grounds.
- **Do not** use the internet inappropriately by going to websites that are not conducive to a professional or educational environment.
- **Do not** use cellphone in the classroom or at any time around students.

Health and Safety Are Always Important

- **Adhere** to District, school, and classroom policies rules and regulations.
- **Refer** any student in need of first aid or any type of medication to the teacher or front office.
- **Learn** and follow fire drill emergency procedures and all school rules.
- **Notify** the principal of any accident you had on school grounds. A written form must be submitted to the principal within 24 hours.

I agree to adhere to the above code of conduct at all times when I am a volunteer at a SCUSD school site or program. I understand that my volunteer status can be revoked at any time.

X
